LAW DEPT-PATENT SECTION

13th April 1992

APR 21 1992 JHB/VT/30588

Dear Jeff

NOTED

Norwegian Patent Application No. 893001
Philip Morris Products Inc
Your Ref: PM 1315 - Our File: 30588

Thank you for your letter of 19 December 1991. A copy of the response as filed is enclosed.

Although our Norwegian associate has not provided an English translation of the amended claims, these are closely modelled on draft claims that I prepared upon receipt of your letter, subject to a few minor changes explained in his letter. The principal difference is that he has added a reference to an expansion chamber tube and a mouthpiece to claim 1 because otherwise a number of the dependent claims would have to be omitted. He presumes that in practice a tube and a mouthpiece would always be provided. A copy of the draft claims showing the associate's additions is enclosed.

Yours sincerely

J. H. Bass
